Mumford & Sons

Capo 1st Fret

INTRO

Am G C F C G x2

VERSE 1

I came home, like a stone
And I fell heavy into your arms
These days of dust, which we've known
Will blow away with this new sun

BRIDGE

And I'll kneel down, wait for now
And I'll kneel down, know my ground

CHORUS

I will wait, I will wait for you
And I will wait, I will wait for you

C

VERSE 2

So break my step, and relent
You forgave and I won't forget
Know what we've seen, and him with less
Now in some way, shake the excess

CHORUS x2

VERSE 3

Now I'll be bold, as well as strong
Use my head alongside my heart
So take my flesh, and fix my eyes
That tethered mind free from the lies

[Verse 1]

Gm
 Remember asking both my mom and dad
 (Eb) Bb
 Why we never travel to exotic lands
 Gm
 We only ever really visit friends
 (Eb) Bb
 Nothing to tell when the summer ends

Gm
 We never really went buying clothes
 (Eb) Bb
 'cause folks were passing on the stuff in plenty
 loads
 Gm
 New shoes once a year and then
 (Eb) Bb
 Out to play ball so we could go in them

[Chorus]

[Verse 2]

Gm
 Don't get me wrong, I didn't have it bad
 (Eb) Bb
 I got enough loving from my mom and dad
 Gm
 But I don't think they really understood
 (Eb) Bb
 When I said that I wanted to deal in Hollywood

Gm
 I told 'em I'd be singing on tv
 (Eb) Bb
 The other kids were callin' me a wannabe
 Gm
 The older kids they started bugging me

Gm C
 An old friend can give advice
 Eb Bb

Paula and Aurora's MASHUP (Hey soul sister, I'm yours, You can count on me)

Your lipstick stains
On the front part of my
Left side brain
I knew I wouldn't forget you
And so I went and let you
Blow my mind

Hey soul sister
Ain't that Mr. mister
On the radio, stereo
The way you move ain't fair, you know

Hey soul sister
I don't wanna miss
A single thing you do
Tonight

So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

Well you done done me and you bet I
felt it
I tried to be chill but you're so hot that I
melted
I fell right through the cracks
And now I'm trying to get back
Before the cool done run out
I'll be giving it my best-est

nothings going to stop me but divine
intervention
I reckon it's again my turn to win some
or learn some

You can count on me like one two three
I'll be there
And I know when I need it I can count on
you like four three two
You'll be there
'Cause that's what friends are supposed
to do, oh yeah

[C] Young man there's no need to feel down
I said [Am] young man pick yourself off the ground
I said [F] young man cause you're in a new town
There's no [G7] need to be unhappy

[C] Young man there's a place you can go
I said [Am] young man when you're short on your dough
You can [F] stay there and I'm sure you will find
Many [G7] ways to have a good time (1,2,3,4,5..)

Chorus: *It's fun to stay at the [C] YMCA it's fun to stay at the [Am] YMCA*
They have [F] everything for young men to enjoy
You can [G7] hang out with all the boys
It's fun to stay at the [C] YMCA it's fun to stay at the [Am] YMCA
You can [F] get yourself cleaned you can have a good meal
You can [G7] do whatever you feel

[C] Young man are you listening to me
I said [Am] young man what do you want to be
I said [F] young man you can make real your dreams
But you [G7] got to know this one thing

[C] No man does it all by himself
I said [Am] young man put your pride on the shelf
And just [F] go there to the YMCA
I'm [G7] sure they can help you today (1,2,3,4,5..)

[C] Young man I was once in your shoes
I said [Am] I was down and out with the blues
I felt [F] no man cared if I were alive
I felt [G7] the whole world was so tight
That's when [C] someone came up to me
And said [Am] young man take a walk up the street
There's a [F] place there called the YMCA
They can [G7] start you back on your way (1,2,3,4,5..)
